MEMORANDUM CIRCULAR NO. 0 1 2 - 1 7

TO

: All Water Districts In Bulacan, Batangas,

Cavite, Laguna, and Region I, II, V

SUBJECT

Water Districts Contingency/Emergency Plans

The second Inter-Agency Meeting of the Resiliency Team was held on June 6, 2017 on the preparations in the event of an earthquake resulting from the movement of the West Valley Fault (WVF) that would affect Metro Manila and other provinces such as Bulacan, Batangas, Cavite and Laguna.

LWUA was tasked to submit to the NDRRMC and PMS the Contingency/Emergency plans and level of preparedness of the water districts in Bulacan, Cavite, Laguna, and Batangas; and Regions I, II, and V, who would either be directly affected or could be identified as first responders in case the said event occurs.

In line with this all Water Districts in the areas named are hereby directed to submit their respective contingency or emergency plan together with the information as specified in the attached table/questionnaire.

Please submit the same on or before July 15, 2017.

For compliance.

JICI A. LAPUS Acting Administrator

Pipeline data: a) Transmission Lines Length (km) Material Diameter b) Distribution Lines Length (km) Material Diameter Existing Equipment Total Number a. Water Tankers b. Mobile Water treatment plant If there are other available equipment (Ex. Backhoe, excavators, concrete bre compressors, etc.), please include in the above table, attach additional sheet if necessary.
